

# **The Tony Harris Hockey Classic is an annual charity street hockey tournament that takes place in Nanaimo, BC on Vancouver Island**

**The 5th Annual Tony Harris Hockey Classic** sets its sights at \$25,000. Tony would like to acknowledge it has been a difficult year for local businesses and has scaled back last year's claim for \$50,000 in 2009. "Its not unattainable" Tony says, "its just that we like to make sure we achieve our goals - and given the new format for the event \$25,000 certainly appears to be an achievable goal this go around!"
